Simon & Schuster. Paperback / softback. Book Condition: new. BRAND NEW, Wandering Hill, MCMURTRY L, Pulitzer Prize-winning author Larry McMurtry continues his epic four-novel telling of The Berrybender Narratives with a new adventure that is both a grand literary achievement and riveting entertainment as forged by a master wordsmith. The indefatigable Tasmin Berrybender and her eccentric family trek on through the unexplored Wild West of 1830s America -- and suffer the harsh realities of the untamed wilderness, including sickness, brutal violence and death, the desertion of trusted servants, and the increasing hardships of daily life in a land where survival is never certain. Filled with larger-than-life legendary figures such as mountain men Jim Bridger and Kit Carson, vividly rendered action, irresistible good humor, and an ever-changing cast of characters that readers will treasure, "The Wandering Hill" proves again that Larry McMurtry still reigns as the first statesman of the Old West.
